February 12, 2021

Dear Parents/Guardians:

As you are aware, the Vernon Township School District has returned to hybrid instruction. This letter is to inform you about positive cases identified in our school district. There were five positive student cases from Vernon Township High School on 2-8 (2), 2-9 (2), and 2-10. There was one positive student case at Lounsberry Hollow School on 2-1. Due to recent COVID closures and virtual learning days due to inclement weather, there have been no close contacts identified for any of the above mentioned positive cases. Additionally, there was one positive student case at Rolling Hills School on 2-8. Any identified close contacts have been contacted by the Sussex County Department of Public Health Nursing. The Vernon Township School District continues to coordinate with the Sussex County Department of Public Health Nursing. No closures are recommended at this time.

We continue to take necessary precautions and are in the process of cleaning and disinfecting all areas of the building in addition to our normal cleaning and sanitizing procedures. As always, we appreciate your support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Should you have any questions about this situation, please feel free to contact Ms. Kim Muller at kmuller@vtsd.com, Dr. McKay at cmckayl@vtsd.com, or Ms. D'Avino at kdavino@vtsd.com.

Sincerely,

Karen D'Avino

Charles McKay
